Coach Exendine Hustles to Develop Offense for First Game With Princeton Tigers.

With two games on the card, the football season of 1915 gets under way today. Carlisle and Albright will hook up for short periods and Bucknell and Bloomsburg State Normal School will be seen in action. Next week the game will be in full swing everywhere in the East.

Owing to the intense heat of the last week the teams are not in condition for fast football, and the playing periods are likely to be short. The preliminary practice of the four teams which open the season has been hampered by the necessity of working in a temperature of 80 or higher each day, and little more than rudimentary principles have been mastered.

Georgetown's problem is still its backfield, and but one week remains before the Hilltoppers tackle the powerful Princeton eleven. Coach Exendine peakeds in preparation for the opening contest & the East.

BUFFALO CLUB WINS INTERNATIONAL FLAG

Crucial Series and Now Can't Lose, Anyway.

The Buffalo club, of the International League, from which the Griffs are to get Jamieson, an outfielder, and Judge, a first baseman, managed by Pat Donovan, moved closer to the gennant yesterday by breaking even in a doubleheader with Jersey City, while Providence dropped two games to Toronto. The pennant race has been one of the closest in several seasons, and up to a week ago Providence, last year's winner, looked as if they would again capture the fing.

Buffalo, however, has been playing the most consistent ball, while the Providence club found the pace too fast. When the two clubs met in the crucial when the two closs het in the week, series of the season, early in the week, Buffalo took the first game, while the second resulted in a tie. This placed Buffalo in the lead, and their position

Buffalo in the lead, and their position was strengthened yesterday.

The season will close today, with both of the leading teams playing double-headers. If Providence wins both games with Toronto today and Buffalo loses both games to Jersey City, Providence will again win the flag. However, Buffalo islands an excellent chance of taking at least one of the games educy with Jersey City, and this victory will resure them of the pennant by a small margin. It is seldom that the race has been so close that the pannant has not been decided until the last game.

Mamaux Out of Game; Must Go Under Knife

Al Mamaux, who has made a remarkrecord while pitching for the Pirates this season, has been forced to retire from baseball for the rest of the year. He is threatened with appendicitis, in fact has been troubled with it for some time, and the doctors have ordered a complete rest preparatory to performing an operation. He is at his home in Dorant. Mamaux's record this season is twenty games won and seven lost.

Champion Engineers

The Fngineer football team, inde-The Fingineer football team, independent champions of the South, have creanized for the season, and will hold their initial work-out today at the Washinston Barrecks. Lieutenant Gellett, a former West Point player, is in tharge of the squad and is confident that with the material on hand the Ridge Builders will be able to defend the title which they won from the crack Vicilant club last season.

Arrangements are being made for the schedule, and all teams desiring games are requested to make application as are requested to make application as

FOOTBALL SEASONIS Big League Averages Coach Ingram Breaks From Old Navy Plans

Takes But Handful of Plebes to Workout With Middies for Coming Campaign on Gridiron-Fourth Class Eleven Will Have Own Schedule.

ANNAPOLIS, Sept. 18 .- That Lieut. J. H. Ingram, who assumed the duty of head coach to the Naval Academy football team this season, is not following in the beaten tracks, was indicated by the fact that he has chosen but a few men from the unusually large and promising fourth class aggregation to join the main squad which reports for duty on Monday. The name of but seven who have been so selected have been given out, and there may be one more. Lieutenant Ingram has chosen only this small number because he believes that more progress will be made if the bulk of the men are kept together and allowed to develop team work on the fourth class eleven. He has consequently selected only those who will be of special use to the main squad, though Ave. he may call upon the squad of new men later in the season.

The later in the season.

The later in the season.

His selections at present are Gilman and Smith, tackles; Martin and Van Heimberg, ends; Goodstein and Hunt, guards; and Stoudt, back. Gilman played at Cornell and Colgate, though he did not make the varsity teams, though he rowed on the crew at the former place. He weighs 190 pounds. Smith weighs over 200 pounds, and played in the backfield at Sewanee. However, both men will be placed at tackle here. Ward and Kennedy are the only promising men on the old squad for tackle, and the advent of two such powerful men as Gilman and Smith has proved very fortunate.

TWO STRONG CENTERS OUT.

Lieutenant Ingram has also chosen two men to try for the center position —Goodstein and Hunt, both strong, heavy and active men. One of the big losses to the team was in the graduation of Perry, who had played center for three seasons, and there is no man of particular strength to fill his place. Stoudt was chosen because he gave much promise as a halfback, of which, of course, the team could not have too many. Though the squad is fairly strong in end candidates, with Harrison, Jackson, Woodward and Broadfoot, both Von Heimberg and Martin have indicated enough ability as to make them worthy rivals.

Enough good men are left to the squad to insure the formation of a powerful fourth class eleven, and it will have its regular schedule of games. It will probably be coached by Lieut. Max De Mott, formerly an end on the Naval Academy football team, and will have a separate trainer. It will probably be good enough to give the

Wayne Hart Is Coach Of Gallaudet Eleven

Manual Training Mentor to Handle Two Elevens This Fall-High School Football Schedule Is Out-Other Gossip of Teams and Athletes.

By BRYAN MORSE.

Wayne Hart, coach of the Mc- | mors to the contrary. Brewer is ex-Kinley Manual Training School team, will coach Gallaudet College
this fall, having closed negotiations
with Manager Harry Stegmartin,
of the Buff and Blue eleven today.
Hart will take up his duties at Kendall Green as soon as the call for dail Green as soon as the call for candidates goes out.

In taking over control of the Kendall Greeners, Hart is able to also handle the Tech team as the duties will in no way conflict. Tech Bisons Wallop Providence in will be able to use the Kendall Green Field, will have the advantage of practicing against a strong eleven, and the Gallaudet boys will in turn get some strong opposition from the Manual Train-

When Fritz Crafts notified Stegmartin that he would be unable to coach there this season, he nominated Hart. Stegmartin immediately got in touch with Hart, and closed negotiations yesterday. Hart, it is understood, is under contract with Tech. As the Tech lads are out of school in the afterneon long before the Gallaudet College boys, Hart will have little difficulty in dividing his time to advantage with both squads.

Hart is expected to have no difficulty in convincing the Tech authorities that he can handle both propositions. Tech will be able to use a good field with fine appointments, and will no doubt profit in every way from the benefits at Gallaudet. When Fritz Crafts notified Stegmar-

One month from tomorrow Eastern and Central will take the field in the first of the inter-high school championship football games. The schedule adopted by the high school faculty advers for the year is as follows: October 19—Eastern vs. Central. October 22—Business vs. Technical. October 26—Eastern vs. Western. October 29—Central vs. Business. Novem er 2—W. Jern vs. Technical. October 29—Central vs. Business.
Novem er 2—W...ern vs. Technical.
November 5—Business vs. Eastern.
November 9—Central vs. Technical.
November 12—Business vs. Western.
November 16—Eastern vs. Technical.
November 19—Western vs. Central.
The field for the championship games

has not been selected as yet, nor are the advisers in position to advance any information as to the probable place for holding the contests.

for holding the contests.

A perusal of the schedule reveals the fact that Tech and Business, last year's contenders, meet in the second game of the series. Central, opening with Eastern, is expected to come through. If Tech can get an early start to defeat Business the Manual Trainers can be expected to find the greatest opposition in Central later on.

Western starts last of the schools in the series, meeting Eastern in its first Western starts last of the schools in the series, meeting Eastern in its first battle. Tech is run up against it in the next contest, while Business is met next and Central last.

hampion Engineers
Make Ready for Season

The Figureer football team, indeident champions.

Those who have given the schedule a bit of study imply that the title will be fought out between Central and Tech with Business close in the running. Western and Eastern will have difficulty in keeping out of last place on account of the fact that they have little in the way of material for the season.

St. Albans starts up on Tuesday, the day after the high schools get going. Gonzaga is already in line as is the Georgetown Prep School. Army and Navy gets started shortly, while next week will find all of the high school teams in line. teams in line.

"Unts" Brewer, well known as the best sprinter among the youngsters in the East, will probably go back to be albana this fall despite ru- last Tuesday.

taxe are inclined to discuss the business which they considered, it is, nevertheless, estimated that the State is due in omitted taxes from this estate something in excess of \$2,225,000, or taxes on something like \$58,000,000 for a period of about twelve years.

Computing the lowest rate on \$53,000,000 under the old laws, which would be 35 cents on the \$100, this would amount in twelve years to \$2,436,000. It is understood that the Ryan representatives have intimated a willingness to compromise with the State on a basis of \$1,000,000.

It has for some few days been pretty well established that Congressman H. D. Flood was interested in the Ryan tax affairs, and it is now said that the Tenth district Congressman will represent the Nelson county money king as attorney in this matter. CAPITAL\$1,000,000 SURPLUS\$2,000,000 The Riggs

The Safest Investments

Are those that do not fluctuate during de-turbed conditions of the money or stock mar-kets. First deed of trust notes that mort-gages, well secured on real estate in the District of Columbia, constitute "sit-edes" investments. They do not depend upon the financial responsibility of individuals or cor-porations for their stability, and are exempt from taxation as personal property. We can supply such investments in amounts from 1500 upward. Send for bookiet "Concerning Loans and Investments."

JEFFERSON, Okla., Sept. 18.—Tactics borrowed from European warfare enabled three robbers to loot the Farmers' State Bank here.

The men first erected barbed wire entanglements about the bank. Four charges of explosives were used. The first aroused the townspeople, but before the citizens could devise a way of evercoming the wire barrier the robbers had taken \$2,000 and escaped in a motor car.
